Geofone Terms and Conditions

Geofone, Inc. ("Geofone") and the undersigned (the "Customer") hereby agree to the following terms and conditions (the "Agreement") with respect to the purchase of cellular phones, satellite phones and other equipment (the "Equipment") and the use of Geofone wireless voice and/ or data services (the "Services").

1. Geofone shall provide Equipment and/or Services to the Customer upon acceptance of a Customer's service contract order. All orders are subject to Geofone's approval. This Agreement shall become effective when Geofone has approved Customer's request for cellular or satellite service and activated Customer's mobile number(s). This Agreement shall remain in effect for the 1 year commitment period, and shall be automatically renewed for additional one-year periods unless terminated by either party in the manner described below.
2. Services will operate only within the current coverage area of our service provider's (the "Supplier") territory. Not all areas, in particular remote regions for cellular phones, may have Service.
3. Customers shall follow the procedures outlined in the instruction manual(s) supplied by Geofone, and shall bear no responsibility for failure of Customers to use the Services/ Equipment in accordance with the said instructions.
4. Geofone's does not guarantee the provision, quality or consistency of the Services and is furthermore not responsible for any interruptions, delays, inconsistencies or failures of the telephone network or security breaches regardless of the source of any such problem including, but notwithstanding, Geofone's own fault or negligence. Geofone's assumes no responsibility for any damage, loss of property, opportunity or earnings, personal injury, death or any other loss whatsoever resulting from the Customer's use of Services and Equipment, including, but not limited to, use of 911. This limitation applies to acts or omissions of Geofone, its Suppliers, agents, employees and all persons for whom it may be responsible.
5. Geofone will use reasonable efforts to deliver the Equipment by the requested delivery time but it shall not incur any liability to the Customer in the event of any delay caused by force majeure or other circumstances beyond its control.
6. By signing this agreement, Customer authorizes Geofone to obtain credit information in connection with this account from any credit institution as deemed appropriate by Geofone.
7. Charges will be in accordance with Geofone's current rate schedule for the selected Equipment and Service at the time of use, as specified above. Geofone reserves the right to modify and/or add rates and charges from time to time. Calls made to Iridium, Inmarsat, Thuraya, and any other satellite services can be priced up to \$10.95 per minute, except if the call is made from handset to handset within the same satellite system (i.e. Iridium to Iridium). Invoices will include charges for subscription or service fees, usage (billed in one minute increments), as well as any other services or features selected by the Customer, plus all applicable taxes. You will receive monthly invoices. You will be automatically charged without any other authorization or additional signature required pertaining to this/these order(s). Geofone will send details of all the charges to the billing address indicated at the time of the order. All charges are due upon receipt of invoice. A late payment charge of 1.5% interest per month, or 18% per year, is applicable against all unpaid balances. All payments received will first be applied against service charges. Geofone reserves the right to apply any deposits or credit card pre-authorizations against accounts in arrears. The Customer shall inform Geofone in writing of any disputes or disagreements with invoiced charges within 30 days of the date of invoice. Thereafter, the Customer shall be deemed to have waived its right to dispute charges.

If the Customer has furnished a credit card number for the payment of charges under this Agreement, then the Customer represents that he or she is an authorized signer on the account of such credit card. All charges related to this agreement shall be charged to the furnished credit card upon shipment and invoice generation. A copy of the invoice outlining all charges shall be mailed to the customer. In addition, the Customer agrees to assume personal responsibility for all payments due in consideration of this Agreement.

8. Service and Equipment may not be used for any unlawful, fraudulent or abusive purpose and must be used as required by all applicable laws. The Customer is prohibited from storing, distributing or transmitting any unlawful material through Geofone's services. The Customer agrees not to resell or market for resale the Services or allow any alteration of the electronic serial numbers or other parts of the Equipment.
9. CONFIDENTIALITY: Information provided by the Customer herein will not be publicized by Geofone without the Customer's prior permission unless it is used in assessing credit performance or regarding collection of overdue payment, or provided to a law enforcement or investigative agency in connection with suspected unlawful activities or in the case that the Customer has provided false or misleading information to Geofone.
10. Geofone may refuse or terminate this Agreement at any time without notice for providing inaccurate credit information; if it suspects any violation of any term or condition of this Agreement, if payment has not been made or if Geofone anticipates that payment will not be made in a timely manner. The Customer shall be responsible for all charges outstanding at the time of termination. An early termination charge may be applied in some cases.
11. The Customer agrees that the Equipment shall not be used in violation of any federal, state, or local statute, rule, or regulation of the United States or foreign country and the Customer agrees to hold Geofone, its officers, directors, shareholders, employees, and agents harmless from and against any and all expenses, damages, claims, suits, actions, and costs whatsoever arising out of or in any way connected with the Customer's rental or unauthorized use of the Equipment.

12. The Customer agrees to pay Geofone all costs and expenses, including without limitation, reasonable attorneys' fees, the fees of any collection agency, and court costs incurred by Geofone in exercising any of its rights and remedies hereunder when enforcing any of the terms, conditions, provisions hereof, and consent to jurisdiction to the courts of the State of New York, and waive any rights to object to such jurisdiction.

13. In the event of loss, theft or destruction of the mobile phone or Subscriber Identity Module ("SIM") card owned by Customer, the Customer agrees to pay for all charges up to the time of actual notification to Geofone of such loss, theft or destruction.

14. Customers shall not acquire any rights, title or interest to any mobile numbers assigned by Geofone.

15. Customer may terminate the Service and the agreement upon written notice to Geofone in the event Geofone raises any of its rates, charges or other fees.
